LEED™ PRODUCT INFORMATION

MASCO FLASH

Re: **MASCO Flash** – LEED™ Product Information

To Whom It May Concern:

This letter certifies that as the manufacturer of MASCO FLASH that the following information can contribute toward LEED™ Credits.

MANUFACTURING LOCATION

Masons Supply certifies that MASCO FLASH is manufactured in Cleveland, OH. If your project falls within a 500 mile radius of this location, the product is considered to be a locally produced material and can help contribute to earning Materials & Resources – Credit 5.1 & 5.2.

No single extracted material is used to produce the majority of MASCO FLASH. The raw materials come from one of several sources which in-turn come from one of several other raw material feed stocks. Therefore, the point source for the raw materials cannot be determined.

Please let us know if any further information is required.
