Driving Directions to Port Orchard Branch

Headed I-5 North:

I-5 North, take Exit 132 onto WA-16 West

Headed I-5 South:

From the airport follow Interstate 5 South toward Portland, Oregon.

Continue past the Tacoma Dome (blue round dome on right side of highway) onto Highway 16.

- ▶ Take Hwy 16 toward Bremerton/Port Orchard; drive past Gig Harbor and Purdy to Port Orchard.
- ▶ Take the Old Clifton Road/Tremont Exit
- ▶ At the stop sign, turn left onto Old Clifton Road and follow approximately one block up the hill.
- ▶ Turn right onto Lloyd Pkwy, into Port Orchard Industrial Park.
- ▶ Turn right onto Lumsden Road.
- ▶ Turn right onto Vivian Court; our facility is located in the back of the park at 1525 Vivian Court, STE 150 (The road will meander toward the back of the industrial complex).
- ▶ Our facility is a large gray building in the cul de sac.
(You will see our MASCO sign)

Masons Supply Company is a locally owned and operated business with 15 locations in Oregon and Washington. We are dedicated to serving the construction, restoration, and maintenance of commercial, industrial, and infrastructure projects. Our strategic locations are placed to save our customers time and freight.

We have over 13,000 SKUs of inventory in 250,000 square feet of warehouse space. Our scope of operations makes it feasible for us to furnish freight intensive products from domestic and foreign sources at competitive prices. Our focus is on professional contractors. We do not service or solicit retail consumers.

Masons is committed to the local Northwest market. Our livelihood is dependent on the strength and growth of the Northwest and the infrastructure

that it supports. We are proud of our support of the local economy, and the fact that our tax and revenue dollars stay in the local community.

Our Concrete Forming and Shoring division is involved in every aspect of concrete construction, from hardware for job built forms to self climbing forms for high rise buildings. We are involved in every means of containing liquid concrete, from light duty jobsite wood fabricated systems to heavy duty high productivity modular clamp systems. We have the products you need to buy, rent, or lease in the Northwest.

Masons has made the investments in sales expertise, inventory, rolling stock and distribution points to ensure you get what you need when you need it.
