## MASCO SURFACE GRIP | *Slip Resistant Additive*

### DESCRIPTION

MASCO SURFACE GRIP is a finely ground, slip resistant polymer additive designed specifically for use to improve the slip resistance of film forming sealers. MASCO SURFACE GRIP can be added to all MASCO and most other manufacturer's water and solvent based film-forming sealers. It is ideal for use on surfaces where water or moisture can accumulate such as garage floors, driveways, patios, walkways, and other smooth surfaces.

### BENEFITS

- Will improve slip-resistance and texture of film-forming sealers
- May be used for exterior or interior applications
- Allows for sprayer, roller and brush applications

### USAGE

- MASCO SURFACE GRIP is compatible with all Masco Cure & Seals, Acrylic Sealer, Hi-Gloss, and Matte Finish sealers.

### MIXING INSTRUCTIONS

Slowly stir while adding MASCO SURFACE GRIP to a Masco sealer. Mix until MASCO SURFACE GRIP has completely wet out and is distributed evenly throughout the container.

### APPLICATION TECHNIQUES

A test area is recommended to verify compatibility with other manufacturer's film-forming sealers. Mix thoroughly and often prior to and during sealer application. Spray application is recommended but smaller areas may be brushed. Do not re-roll wet areas. Prepare substrate and apply sealer in accordance with the manufacturer's written instructions.

### COVERAGE

Add 15 oz to 5-gal container of sealer.  
Do not exceed more than 6 oz per gal of sealer.

### LIMITATIONS / PRECAUTIONS

MASCO SURFACE GRIP is non-hazardous and does not contain silica but precautions should be taken to prevent

inhalation. Additional precautions, safety information and first aid are contained in the Material Safety Data Sheet.

### PACKAGING

15 oz bottle (6 per case)

**Storage:** 40° F to 85° F

**Protect from Freezing.**

**Shelf Life:** 2 years unopened, in protected storage.

**DOT Hazard Class:** Not DOT Regulated

### TECHNICAL SERVICE

For application procedures or surface conditions not specified above, please contact:
