POLISHING DISCS

No.	Size	Qty/Pack
Cup Wheels - efficiently grind all types of concrete, masonry, brick, block and stone. Coarse grit used for basic grinding and removal.		
DP CW35	5" x 35 coarse grit wet, 12 segment	3/pack

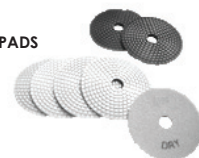

CUP WHEELS

No.	Size	Qty/Pack
Hard Wet Resin Polishing Pads - combine the benefits of resin and its ultra smooth finish with the longevity of diamonds. Wet resin discs last up to 4 times longer than dry discs when used correctly with water. Available in 50 through 3000 grit (although typical wet sequence used is through 400 grit).		
DP WP50	5" x 50 grit	3/pack
DP WP100	5" x 100 grit	3/pack
DP WP200	5" x 200 grit	3/pack
DP WP400	5" x 400 grit	3/pack

WET RESIN PADS

No.	Size	Qty/Pack
Dry Resin Polishing Pads - can produce a mirror finish quickly and easily. Available in 800 and 1500 grits.		
DP DP800	5" x 800 grit	3/pack
DP DP1500	5" x 1500 grit	3/pack
Disc Pad Holder		
DP DP5	5" x 5/8"-11	0.40

DRY RESIN PADS
